

## **General Labourer**

We are seeking to fill the full time, permanent position of General Labourer. If you are looking for a dynamic opportunity in a fast-paced environment working alongside the construction industry, this position might be a fit for you.

As a General Labourer, key responsibilities in this role will include the following:

1. Follow all safe work practices and procedures while performing a variety of duties in both field and laboratory testing as well as in the shop.
2. Perform density testing in the field, concrete testing (field testing, cylinder preparation and strength testing), and various laboratory analyses of soils (proctors, sieves, limits, hydrometers, CBR's, moisture contents and unit weights);
3. Assist in the repair and maintenance of our field equipment and vehicles.

### **Skills and Qualifications:**

1. Completion of Grade 12.
2. Strong written and verbal English communication skills;
3. Valid Class 5 Driver's License with a clean abstract;
4. Ability to lift and carry up to 50 lbs.;
5. Ability to pass a pre-employment drug & alcohol test.

PMEL is committed to providing a Total Rewards package including industry competitive wages, group benefits, company matched retirement savings plan, safety wear allowance as well as an opportunity to participate in a company profit-sharing plan.

Interested applicants can apply by email at [hr@machibroda.com](mailto:hr@machibroda.com). Only those applicants selected for an interview will be contacted.
